Hi Xihao,

I apologize for the delay, I was out of the office last week. There were no concerns expressed by the DHS P&P so please consider this email as formal approval. I have also amended the author list for DHS.

Thanks,
Nicholette

When available, could you please also send the manuscript to your corresponding P&Ps (or let us know if you'd like to do this & which email address to send it to)?

Please kindly note that we may need your help to identify authors for your respective authorship group (3 per group as we have done previously with the TOPMed Lipids working group), so could you please fill

We recognize that many of you are on or about to go on vacation. We are hoping we get feedback from everyone by **June 13 (Tuesday)**; please let us know if you need more time.

Please do not hesitate to reach out with any questions/comments. Many thanks for your collaboration and we look forward to your constructive feedback (as well as the administrative guidance – P&Ps and authorship)!
